The new way to pray

Prayer Circles

Ora's circle feature let's you organize your prayer life and those you pray with and for into Circles that can be secure and intimate, or available broadly to a larger community.

Swipe to Pray

Let them know you're praying for them. Ora provides a glimpse of the eternal that we can miss when we're caught up in the stress of everyday.

Voice Comments

Sometimes text doesn't get the feeling just right. Let others hear your prayers straight from the heart and in your voice.
